The Honorable Karen B Owens
U.S. Bankruptcy Judge
U.S. Bankruptcy Court of Delaware
824 Market Street
Wilmington, Delaware 19801

Honorable Judge Owens:

Your name came to me via an email from 24 Hour Fitness World Wide, Inc.

On October 2, 2020 24 Hour Fitness, of San Ramon, CA charged my credit card \$44.99 for monthly charges. The facility I had had a membership with at the Horton Plaza, in San Diego, closed in March, 2020 because of the Covid -19 pandemic and never reopened.

On October 12 I received an email from 24 Hour Fitness regarding the bankruptcy filing.

To me this is **fraud**.

My membership was canceled in March 2020 when I complained to the BBB in California of charges after closing. The president & ceo of 24 Hour Fitness, Tony Ueber, was aware of this complaint and I thought this problem was eliminated.

But now, I have been charged another \$44.99 with an email of bankruptcy! I should be reimbursed for this charge before bankruptcy charges can be implemented. I am a disabled veteran of the Vietnam war and I need this money to pay other bills.

Very sincerely, Thank You.

Michael Garvey
